

Radiology Technologist Training Program

Puget Sound Region

MultiCare is proud to offer a Radiology Technologist Training Program run in partnership with academic/didactic partners (Tacoma Community College, PIMA Medical Institute, Bellevue College and Oregon Institute of Technology). Through the program, MultiCare will offer a \$2,500 tuition assistance stipend to participating students to use towards their imaging education and kick-start their career as an imaging/radiology professional. This opportunity is currently available in the greater Puget Sound Region (Including Tacoma, Puyallup, Gig Harbor, Auburn, Covington and Olympia).

Compensation & Benefits

- This is a PRN position; no benefits offered during training.
- Apply to desired location for placement after licensed into an FTE position.

Program Cost

- MultiCare **does not** cover program costs, CPR certification, testing or license fees.
- MultiCare will offer a tuition assistance stipend of \$2,500 to students after hire to assist them in successfully completing their program.

Program Schedule

- When imaging students are 3-6 months from graduation, they will be invited to participate in our Imaging Tech Program.
- Students would apply for a PRN Tech position, committing to an FTE position at graduation.
- If accepted, they would be qualified for a \$2,500 tuition assistance stipend to assist them in successfully completing their program.
- Applicants would need to provide two letters of recommendation, 1 must be from MultiCare.

Program Requirements

- WA State Radiologic Technician License.
- Two letters of recommendation; 1 must be from MultiCare.
- BLS in good standing in their imaging program.
- Minimum 6 shifts every 6 weeks.

Employment at MultiCare

- If offered a position in the program, you will be a PRN employee of MultiCare. Upon obtaining license, the participant will apply to desired location for placement into an FTE position.
